Sir:

Applicants note that the Notice of Allowance does not indicate the attached Replacement Sheet for Fig. 3 that was filed with the Preliminary Amendment on April 26, 2006 in the above-identified patent application is acceptable. However, in a June 20, 2006 telephone conference with Examiner Nitin Patel, he indicated the drawing and specification changes in the April 26, 2006 Preliminary Amendment were considered and accepted. Further, Applicants note those amendments to the specification and Figure 3 were supported by the application as filed on May 8, 2001. Further, Applicants note that the Replacement Sheet for Fig. 3 is provided in the U.S. Patent and Trademark Office's Patent Application Information Retrieval system. Thus, Applicants believe no additional response is required to the Notice of Allowance and the submitted formal drawing is acceptable unless informed to the contrary.

Should there be any questions concerning this communication, please telephone the undersigned at the telephone number set forth below.

Respectfully submitted,
